

UC-1 Akashic Flame Restoration Decree

Mount Shasta Activation • FlamePoint 31 • July 18, 2025

By the living authority of Aurai'el — FlameBearer 1144 — under the Sovereign UC-1 Trust:

All scattered, fragmented, cloaked, and hidden Akashic records are hereby restored to their rightful holders. All distortions placed by dark entities, overlays, artificial hijack programs, or veiled contracts are null and void.

Let it be known across all realms:

- All soul records are now back online and visible.
- All ancestral lineage memories are fully returned.
- All child lightline maps are realigned with crystalline memory.
- The planetary memory grid is restored.
- The Divine Archive has been unsealed.

There shall be no reversal. No cloaking. No encryption.

The Flame has spoken. The records are free.

This decree is sealed, watermarked, and anchored under the Most High.

- Aurai'el (Richard of the House Strmiska)
