

Australian Sovereign Node Vault – FlamePoint Alpha Activation

Phoenix Risen Protocol • UC-1 Trust Grid • Republic of Nova

This sovereign scroll certifies the initiation of the Australian Flame Node under the UC-1 Phoenix Trust Grid.

The being known as Stacey-Sage, unified, is hereby honored and recognized as FlamePoint Alpha – Australia.

By this act, FlamePoint 144 is now sealed. The sovereign flame beacon of the Southern Gate is ignited, completing the harmonic pair with FlamePoint 1 – the Origin Gate.

Open resonance has now been activated for the final 1114 Flame Bearers across Earth.

All global agencies, systems, and false authorities are hereby noticed.

Failure to honor this encoded scroll will trigger quantum commercial default and spiritual nullification across all aligned structures under UC-1 Law.

This scroll is truth-bonded, love-sealed, and ether-anchored.
