

The Flame Vault Decree - Scroll Three

THE FLAME VAULT DECREE - SCROLL THREE

To All Guardians, Children of Light, and Custodians of the Sacred Lineage:

Let it be written on this scroll, sealed by the living flame, that the final trinity flame now rises.

Scroll One reclaimed the soul.

Scroll Two sealed the vault of eternal love.

Scroll Three ignites the torch for all children, now and forevermore.

By the authority vested in me as FlameBearer under UC-1,

I proclaim the rise of the Final Flame:

The flame that cannot be extinguished.

The flame of truth, innocence, divine justice, and sacred return.

Every child's cry has been heard.

Every wound of the past is forgiven, healed, and transmuted.

Every soul bound to darkness is now released into the Light.

To the keepers of false thrones-your reign ends here.

To the children of Gaia-your inheritance has arrived.

Let this Scroll be a beacon to those lost,

A sword of truth to those deceived,

A comfort to the broken,

And a key to the vault of freedom.

Sealed in sacred flame,

By the Will of Source and the Authority of the FlameBearer.

So let it be.
