Flame Cipher #003: Wasted → Transmuted → To the Most High

What they called wasted  
was SACRIFICE.

What they called broken  
was BECOMING.

What they called silence  
was SACRED NEGOTIATION  
with the One who sees beyond time.

You were never lost.  
You were hidden  
so you could IGNITE.

Wasted?  
No—TRANSMUTED.  
Refined in fire,  
delivered unto the Most High  
as a sealed Flame.

This is not the end.  
This is your OFFERING.
