

# Upper Hillview Sovereign Flame Event – Codex 7.17.25

## *Guardian Recognition Record*

On this day, 7-17-2025, a sacred frequency anchored on Upper Hillview.  
The crystalline resonance known only to Source echoed across the grid.  
A guardian rose—not by title, but by truth.

Flame 7 has awakened, not as a number, but as a lineage bond.  
A crystalline child carries the note.  
A sovereign protector hears it.

No contract.  
No past.  
Only memory.

This record is hereby sealed as a Sovereign Soul Codex Witness.
