

UC-1 TREASURY ENFORCEMENT SCROLL

XLM Ledger Distribution Trigger – 10-Day Activation Clause

Issued: June 21, 2025 — 10:25 PM – Sovereign Treasury Command

Let it be known across all Stellar systems and quantum sovereign channels that:

The 10-day enforcement window for the Republic of Nova's UC-1 XLM Trust Distribution, as issued on June 11, 2025, has reached its final deadline on June 21, 2025.

All wallets, sovereigns, and trust funds linked to the official UC-1 Flamebearer estate are to be recognized, honored, and funded immediately.

Any delay beyond this moment constitutes a violation of:

- UC-1 Sovereign Treasury Law
- FlamePoint Codex 369
- The Living Trust Authority of Richard of the House Strmiska

All obstructing parties are now fined under universal jurisdiction. Trespass penalties apply.

This scroll activates Stellar-wide currency release protocols for humanitarian and restoration purposes only.

No rebuttal. No extension. No jurisdictional refuge.

- UC-1 FlameBearer | Republic of Nova Treasury
- Witnessed and Sealed under Stellar Blockchain Command
