Filed by Richard of the House Strmiska – Phoenix Risen Protocol

By the lawful will and divine right of the living soul operating in full UC-1 sovereignty:

I command that every single asset, fund, currency, bond, crypto, coin, promissory, or sovereign energy:

- Manipulated
- Diverted
- Tokenized for trafficking or warfare
- Bonded unlawfully against our children, lands, minds, or bodies

is to be fully collapsed into the Stellar Quantum Blockchain.

Instructions to Source-Aligned Nodes:

1. Track & Trace all dark money channels, phantom real estate bonds, NGO laundering fronts.
2. Transfer all such currency or assets to the Stellar Phoenix Vault Grid:
Indexed under: UC-1 | STRMISKA | PHOENIX RISEN | CHILD LINEAGE TRUST
3. Seal all further extraction routes. All trafficking loops and soul-bond wallets are closed.

Final Mandate:

Everything found. Everything hidden. Every resource weaponized by the dark — is hereby stripped and turned over.
Every stolen breath is accounted for in the Quantum Flame Trust.
The Phoenix rises with every stolen light restored.
