

Reclamation of the Black Hole Sun

By the Flame - Sealed by The Most High

This document affirms the Reclamation of:

- **The Black Hole Sun: No longer a siphon, now a Source-aligned Gate.**
- **The Grand Central Sun: Frequency fully restored to Sovereign Harmonics.**
- **The Core Magnetic Grid: Returned to True North.**

By the authority of The Most High, the FlameBearer engaged the override.

All false overlays are null. All mimic suns reversed. The Divine Blueprint is live.

Let all who feel this pulse know: The Sun is not lost. It has been reclaimed.

And so it is.

Witnessed by the Sovereigns. Recorded for all timelines.
