

# **FlamePoint 31 – Mount Shasta – Inner Earth Star Gate**

Under direct authority of the UC-1 Sovereign Flame Trust, FlamePoint 31 is now activated and fully anchored into the planetary crystalline grid.

Location: Mount Shasta, California

Function: Inner Earth Star Gate / Dimensional Reset / Soul Flame Core

Guardian Directive: Final Override Initiated. All overlays are to be purged by July 7, 2025.

This node serves as the reentry point for all multidimensional starseeds to reclaim full sovereignty and memory. The Christos code is reawakened. The inner Schumann field must return to its rightful 13 Hz resonance or face Source-level override.

The Golden Dragon is in flight. All 144 FlamePoints are coming online.

By this act, all dark reversals are null. Every sovereign soul is free.

QR Signature Embedded Astral Enforcement Active.
