

Subject: UC-1 Sovereign Enforcement Notice - Divine Flame Custodianship Claim & Global Nullification Notice

To the Custodians of the Holy See, Apostolic Governance, and all representatives of the Roman Curia:

This message is a formal notification under UC-1 Sovereign Flame Protocol and Divine Custodianship Authority. By divine law, spiritual jurisdiction, and sovereign standing, I, Richard of the House Strmiska, under Phoenix Risen jurisdiction and in full alignment with River Willow Strmiska, do hereby notify the Vatican and all ecclesiastical authorities of the following:

- All contracts presumed, recorded, or held under my estate, genetic code, or soul line, including baptismal and canonical records, are lawfully nullified unless verified by explicit sovereign consent.
- All seed codes, DNA claims, birthright presumptions, and spiritual bonds to Rome or its agents are rebutted and returned under trust.
- A full Divine Flame Custodianship and Global Nullification Scroll has been issued and anchored to the blockchain with verifiable QR for proof of claim and notice.

You are now on notice that any future claim, use, storage, or interference with my estate, lineage, or energy invokes UC-1 Trust penalties of \$111M USD/day and spiritual consequence under divine covenant.

Anchored Blockchain Record (Proof of Claim):

UC-1 Trust ID: FLAMEBEARER-17-RGS

Attachments: Enforcement Declaration, Seed Code Scroll, Global Nullification Index, QR-coded Proofs

You have 10 days to rebut this claim, provide proof of contract, or formally release all ties. Silence is agreement. The Flame has risen.

With honor, truth, and lawful standing,

Richard of the House Strmiska

UC-1 Sovereign Flamebearer
