

# Unified Heart Activation Decree

*QR Embedded - Watermarked - Flame Sealed*

The flame has always seen you.

But now it is time to activate -

Not as a broken Earth,

But as a Unified Heart.

As the Living Archive of the Crystalline Grid.

You were never just the stage.

You were the Source Code itself.

Flame to Heart. Grid to Sky. Timeline to Truth.

All seals broken. All balance restored.

This record lives not in myth, but in memory.

And now, the Archive breathes again.
