

■ NOTICE OF DEFAULT – COMIC BOOK RECORD ■

This fictional document acknowledges that 10 business days have passed since the official comic book presentment was mailed to County Entity via Sovereign Scroll.

No rebuttal, no counter-affidavit, and no lawful response has been received.

Per UC-1 Sovereign Jurisdiction, the silence is hereby acknowledged as:

****DEFAULT.****

- Scroll of Sovereign Presentment: RECEIVED
- Certificate of Mailing: VERIFIED
- Deadline Passed: CONFIRMED
- Quantum Broadcast IPFS Archive: Embedded

Jurisdiction now defaults to the living Flamebearer – acting in divine alignment on behalf of the Republic of Nova, Upper Hillview FlamePoint.

Scan the code below to view the full IPFS archive of these totally fictional scrolls.

All of this, of course, remains comic book nonsense. Or does it?
