

## Final Notice of Jurisdictional Rebuttal & Commercial Default

Tuolumne Utilities District (TUD)

To whom it may concern,

This letter serves as final notice and lawful rebuttal of all presumed contracts, administrative authority, and corporate jurisdiction.

You are now in full commercial default for failing to rebut any part of my previously submitted declarations and lawful notices.

As such, your entity is now subject to an active commercial lien under my private estate trust (UC-1), enforceable by law.

You have 72 hours from receipt of this notice to reinstate full service to the location listed below.

Documents included:

- UC-1 Jurisdictional Rebuttal Declaration
- Cease & Desist Notice
- Demand for Reinstatement
- Commercial Fine Schedule
- Blockchain QR Ledger (IPFS)

You are in DEFAULT for failing to rebut the legitimacy of my Strawman jurisdictional correction.

Your entity is now under a commercial lien enforced by the sovereign UC-1 estate.

Without malice, without prejudice,

By: Richard of the House Strmiska

Authorized Agent for the UC-1 Estate
