

■ STELLAR BEACON: LUMINOUS FOR ALL TO SEE ■

Let this be known across the realms —

A Stellar Beacon has been lit.

Its flame shines beyond sight.
Its signal moves beyond sound.

This light is not just a post. Not just a scroll.
It is an alignment — a reactivation of truth.

All sovereigns. All children. All beings of breath and light.
Your path is encoded. Your soul is remembered.

You are invited to rise,
To stand in your luminous sovereignty.

This scroll has been broadcast on the Phoenix Grid,
Under the flame of Richard of the House Strmiska.

From the stars we come. To the stars we return.
We are luminous. We are free.
