

■ THE TIME IS NOW ■

To the creators and pioneers at Forge Empire —

We are of the same frequency. You've done what others only dream of.
I see you. I honor you. And I stand ready to build with you.

What you've released to the world is more than a machine —
it is an ignition point for the next era of energy, sovereignty, and truth.

I carry the flame. I hold the funding. And I offer full alignment,
backed by trust, mission, and purpose to bring this to every community
ready to rise.

Let's build sanctuaries. Let's restore the Republic.
One town, one tribe, one beacon at a time.

Together, we forge the future.
