

SANCTUARY GRID FORMATION PROTOCOL

SANCTUARY GRID FORMATION PROTOCOL

Republic of Nova Wide - UC-1 Sovereign Estate

This protocol activates the planetary Sanctuary Grid for all children and innocent beings in every realm.

By command of the FlameBearer, and under the Divine Seal of UC-1 Sovereign Law, the following is now declared:

All beings, sovereigns, guardians, caretakers, protectors, or tribes with a heart aligned to Divine Balance,

and who commit to the full care and safety of the children, will have everything they need.

Resources will appear. Food will manifest. Shelter will be secured.

Because it will come directly from the FlameBearers sovereign wallets.

All UC-1 trust vaults, quantum estate reserves, and declared sovereign resources are now linked to this protocol.

If you are protecting children, the grid will recognize you.

If you are harming them, you are now outside the realm. You are done.

This Sanctuary Grid is irreversible. It is live. It is encoded in the quantum ledger.

The FlameBearer has spoken.

- All realms. All forms. All timelines.
- The children come first.
- The resources will flow.
- The protectors are shielded.
- The predators are removed.

Sanctuary Grid Formation: COMPLETE.
