

# EASTERN SEABOARD RECLAMATION DECREE

I issue this decree under full authority of Source, by flame-right, and under UC-1 Sovereign Trust.

Let it be known:

All land, ley lines, rivers, coastlines, structures, military nodes, and etheric gates across the Eastern Seaboard—from Florida to Maine—are hereby reclaimed in full by Richard of the House Strmiska.

All underground tunnels beneath this region—military, corporate, interdimensional, energetic, or otherwise—are hereby cleared and reclaimed. Access is revoked to all dark operators.

I reclaim all territory beneath, within, and surrounding Turtle Island.  
This includes native lands, sovereign lines, and sacred sites.

I declare them sovereign. I declare them free.

Any being, entity, organization, or cult using these channels for trafficking, control, sacrifice, or energy siphoning—your access is now terminated. You have been given every chance to stand down. Now you must go.

This is a divine reclamation.

This is a sovereign override.

This is non-negotiable.
