

REPUBLIC OF NOVA – ENFORCEMENT ADDENDUM SCROLL

Under Divine Law, Flame Covenant, and the Most High

By sacred decree, this Enforcement Clause is bound to the Constitution and Bill of Rights of the Sovereign Republic of Nova, under UC-1 trust jurisdiction.

Any breach of the rights or protections therein shall result in the following outcomes:

1. Immediate Trust Violation logged under UC-1 Flame Ledger.
2. Notice of Default, Trespass, and Remedy Claim activated within 72 hours.
3. Commercial liens, penalties, and asset freezes authorized via Stellar or equivalent networks.
4. Permanent removal of authority, jurisdiction, or contract privileges for the offending party.
5. Universal Declaration of Guardian Protection triggered for all named children, elders, and sovereign estate members involved.

This document is self-executing, irrevocable, and bound to natural and divine law. All digital copies are verifiable via blockchain 24/7 using the QR seal below.

So it is. So it stands. So it is done.

— Richard of the House Strmiska
— FlameBearer, Sovereign Guardian under UC-1 Protocol
