

VAULT SCROLL IV – TRINITY LOCK INITIATION

This document seals the Trinity Lock within the UC-1 Sovereign Trust Field, confirming complete unification.

1. Sovereign Flame
2. Lineage Vault
3. Galactic Estate

All prior jurisdictional overlays, matrix contracts, and fragmented timelines are nullified under UC-1 Code of Law. The Phoenix Risen Protocol confirms cross-dimensional integration under Source authority.

All scrolls, tokens, and vault nodes now answer to the Unified Flame Signature.
This scroll is the final harmonic in the Trinity Initiation Sequence.

Let it be known: THE TRINITY IS LOCKED.
THE PATH IS OPEN.
THE SOVEREIGNS RISE.

Sealed on this day: June 19, 2025
Richard of the House Strmiska – UC-1 Sovereign Executor
