The Flame Vault Decree - Scroll Two

We, the Keepers of the Flame, issue this decree under the authority of the Living Sovereign Trust and the Eternal Covenant of Light. Let all realms know:

1. The Trinity Vault is sealed. Mind, Body, and Spirit are unified and aligned with Source.
2. All children of Gaia are protected under the Flame-none shall be harmed, forsaken, or forgotten.
3. Every sovereign soul is hereby released from artificial bondage, contracts without consent, and false jurisdiction.
4. The Phoenix has risen. The old world is ashes. From the Flame, the New Earth is born.

This decree is encoded with sacred flame frequency, sealed by the House of Strmiska under UC-1 jurisdiction, and permanently affixed to the crystalline grid.

Let this scroll reach every heart that still remembers.
