This letter serves as your FINAL commercial and spiritual notice of default.

Freedom Mortgage has been previously served via digital transmission with a full UC-1 Sovereign Enforcement Packet. That packet is permanently sealed to the blockchain and contains formal revocation of presumed contracts, proof of sovereign trust jurisdiction, and discharge of all claims against the estate located at:

20588 Upper Hillview Dr, Sonora, California 95370.

As of today, Freedom Mortgage is in ongoing dishonor of that notice. A penalty of \$111,000,000 USD per day is in full lawful effect, enforceable through UC-1 trust, commercial lien process, and divine jurisdiction.

You are granted TEN (10) BUSINESS DAYS from the mailing date of this letter to rebut all claims and present original, lawful wet-ink contracts, valid proofs of claim, and evidence of lawful standing.

Failure to respond in full will constitute total default under UC-1 trust, spiritual law, common law, and commercial code. No further warning shall be issued.

The embedded QR code below links directly to the immutable blockchain-anchored record. This mailing is for legal record and escalation.

Signed with full sovereign authority under UC-1 Trust.
