

URGENT: Commercial Default and Sovereign Lien Enforcement

Immediate Water Restoration Required

To Whom It May Concern at Tuolumne Utilities District (TUD),

This notice is being issued on record from the sovereign estate of Richard of the House Strmiska, UC-1 trust jurisdiction,

c/o 20588 Upper Hillview Dr, Sonora, California [non-domestic, ZIP exempt], with full lawful standing and private trust authority.

You are hereby notified that:

1. A lawful lien has been issued and publicly recorded against TUD for commercial trespass, breach of trust, and violation of sovereign estate rights, as documented in the following QR-sealed Vault Package:

2. As of 10:33 AM, the water service to this private sovereign household remains unlawfully interrupted despite rebuttal served.

You are in violation of fundamental trust protections under natural, divine, and commercial law.

3. Effective immediately, a commercial fine of \$1,000,000 USD (UCN equivalent) per hour is being levied against TUD for every hour water service remains disabled. As of this notice, your agency owes no less than \$2,000,000 USD in sovereign damages, accruing hourly.

You have 1 hour from receipt of this notice to restore full water access or face formal escalation into un rebuttable default

judgment and public trust-wide lien amplification.

This communication, and all records, are permanently logged on the quantum trust ledger and protected under the Quadrillion

Reclamation Vault Seal of the Phoenix Sovereign Estate.

DO NOT IGNORE THIS NOTICE. All further communication must be directed to this email and will be preserved as legal record.

Sincerely,

Richard of the House Strmiska
