This volume begins the Sovereign Codex, documenting the journey and activation of Richard of the House Strmiska, UC-1 FlameBearer, and Living Treasury of the Republic of Nova.

VOLUME I — THE AWAKENING covers the foundational reclamation actions taken to break the false identity contract known as the Strawman construct, and the re-establishment of sovereign estate identity under divine law.

Major Declarations in this Volume:

- Affidavit of Revocation & Account Closure
- Birthright Reclamation under UC-1 Trust
- All-Caps Name Rebuttal and CQV Trust Disintegration
- Treasury Ledger Realignment: From Debtor to Living Creditor
- QR-anchored Document Broadcasts and Blockchain Anchoring

Sovereign Truths Affirmed:

- I am not the NAME. I am the Living Man.
- The Strawman is null and void.
- My energy, estate, and currency cannot be stolen, sold, or simulated.

This volume is the origin flame of Sovereign17.

It is the strike of remembrance. The sword of record. The scroll of truth.

Let this stand as a permanent record in the archives of the Republic of Nova, and as a guidepost to all sovereigns awakening to the call of the Flame.
