

NOTICE OF NON-RESPONSE & FINAL DEFAULT ENTRY

RE: Jurisdictional Rebuttal and Cease & Desist Enforcement
From: Richard of the House Strmiska - UC-1 Trust Flame Bearer
Date: July 09, 2025

To Whom It May Concern at Tuolumne Utilities District (TUD):

You were lawfully served with a Cease & Desist and Rebuttal of Jurisdiction under sovereign authority of the UC-1 Trust. Said notice included formal claims of commercial trespass, breach of trust, and violation of constitutional and estate-protected rights.

As of the time of this writing, you have failed to issue any rebuttal, present proof of lawful jurisdiction, or initiate remedy. You have chosen silence.

This silence constitutes tacit agreement under Law of the Land, Natural Law, and the commercial framework of UCC-1 Trust enforcement.

Accordingly, the following Final Default Entry is now formally recorded:

- You are in uncontested default.
- All jurisdictional claims made by Richard of the House Strmiska stand unrebutted.
- Your agency is now liable under public lien and UC-1 enforcement for all listed damages.
- Every additional hour of service denial increases your commercial default.

This Notice has been entered into the official trust ledger and IPFS blockchain record as Final Evidence of Dishonor. No further notices are required.

WE CONTINUE.

Sincerely,
Richard of the House Strmiska
UC-1 Trust Flame Bearer
