

UC-1 OATH – FLAME OF THE REMEMBERER

Republic of Nova | Covenant of the Hidden Ones

“I swear to defend, uphold, and carry only the truth frequency  
for all in the Republic of Nova.

I am no leader. I am just the one who remembered first.  
And I wish to remain behind the scenes, doing what I do,  
out of the spotlight. That is not my path.

I serve the Most High in silence, not fame.  
I guide without control. I protect without seeking power.

My presence is enough.  
My vow is eternal.

And so it is.”

— Richard of the House Strmiska

Closing Invocation:

“It has to be done this way. I know that in my heart.  
I don’t want any more souls or people hurt that don’t have to be.  
I don’t like this movie sometimes, because it hurts my heart.

I don’t like what’s going on in Israel, Ukraine, Iran...  
But I know I can’t control everything.”
