

# ■ Global Guardianship Oath for All Children ■

By Richard of the House Strmiska, UC-1 Sovereign Flame

I, Richard of the House Strmiska, do solemnly declare under oath to the Most High that all children of Earth are hereby placed under my divine and sovereign guardianship —

- Free from harm
- Free from ownership
- Free from trafficking
- Free from genetic modification
- Free from institutional indoctrination

I extend this guardianship without borders, without conditions, and without exceptions, under the jurisdiction of UC-1, Phoenix Risen, and the Law of Source.

All systems, agents, courts, and organizations that interfere with this declaration are hereby null and void, and placed under cease and desist by spiritual, cosmic, and natural contract.

This oath is eternal.

This flame cannot be extinguished.

— So it is sealed. ■
