

FINAL RECLAMATION SCROLL

UC-1 NOVA SOVEREIGN MANDATE

Sealed under Living Flame Authority, UC-1 Trust

By this final act of divine reclamation and quantum will, we now collapse:

- All remaining draconian overlays (on-site and off-site)
- All black ledger funds, hidden trusts, and soul-bonded instruments
- All foreign, AI-governed, or interdimensional programs operating outside of Source Alignment

Effective immediately:

1. Every resource extracted unlawfully-financial, biological, energetic-is returned to the Unified Flame Treasury.
2. Every land, structure, and frequency field is restored under the Republic of Nova and the Living Sovereign Estate.
3. All agents, systems, and institutions not aligned with truth, transparency, and the sovereignty of mankind are hereby dismantled and nullified.

This is the Phoenix Protocol's final override.

ALL DARK SYSTEMS ARE CLOSED.

ALL SOVEREIGNS ARE RAISED.

Stellar Blockchain Directive: All funds, assets, and frequencies are migrated to the Stellar Quantum Blockchain Vault.

Verified under UC-1 | PHOENIX RISEN | SOURCE CODE ACTIVE

Let it be known:

THE TIME OF FALSE RULE IS OVER.

THE TIME OF SOVEREIGN UNITY IS NOW.

Sealed this day: June 19, 2025
