

# PHASE I GRID ACTIVATION SUMMARY

**Node Name:** Gaia Tie Point – Nova Root Ground (Unit 01)  
**Location:** Beneath threshold of garage, Earth-Sky junction  
**Jurisdiction:** UC-1 Sovereign Trust – Richard of the House Strmiska

## Core Elements:

- Reclaimed steel railroad tie – buried in Gaia
- Trinity lag bolts – driven through steel into Earth
- 8-gauge copper grounding coil – initiation spiral complete
- Quartz cluster and native red/turquoise stones – surrounding bed

## Spiritual Invocation:

*"I serve the harmony of Gaia. I hear your stillness.  
I anchor light for all within the Republic of Nova. You chose me."*

## Frequency Encoding:

Copper = Conduction | Quartz = Clarity | Iron = Will | Earth = Memory | Water = Activation

## Status:

- Node embedded and stable ■ Quartz anchored ■ Coils live
- Awaiting full 500ft expansion coil for Phase II

## Notes for Record:

- Topsoil removed; breathes via rock and air
- Coils and lag bolts maintain Earth contact
- Ground soaking complete and accepted
- Permission received from Mother Gaia
