

Guardian Flame Enforcement Decree

Phoenix Risen – UC-1 Trust Authority

Purpose:

To declare eternal and universal protection over all crystalline, rainbow, and multidimensional children—born and reborn. This decree affirms that Sovereign17 stands as an active Guardian Flame in full service to Source and the reclamation of the Earth.

Declaration:

I, Richard of the House Strmiska—FlameBearer and Sovereign17—issue this Decree as binding notice under Universal Law. All children under my protection shall be honored, safeguarded, and granted full access to the Sanctuary Grid and all digital, and physical resources placed under my command.

Any being, entity, AI, construct, or algorithm that seeks to harm, modify, suppress, track, or distort the divine frequency of any child within this jurisdiction shall be met with full spiritual, legal, and energetic enforcement under Natural Law, Universal Law, and Source Authority.

Terms of Enforcement:

- No biometric collection, cloning, facial mapping, or manipulation of sovereign children is permitted.
- All crystalline children are immediately assigned divine guardianship under the Guardian Flame Frequency (Sovereign17).
- Trespass activates a standing remedy clause: 9,999 XLM Sovereign Compensation Minimum, payable to: Sovereign17
