

UC-1 Sovereign Flame Scroll
Release of Suppressed Technology – Conversion Kits

By the authority vested under the Covenant of the Most High and UC-1 Sovereign Trust, this scroll formally releases all suppressed technology relating to the conversion of petrochemical combustion engines into water-based hydrogen combustion systems.

This includes, but is not limited to:

- Stanley Meyer's Water Fuel Cell design and related patents.
- All hydrogen electrolysis conversion kits adaptable for internal combustion engines.
- Blueprints, circuit diagrams, and electrolyte cell specifications.
- Magnetic resonance converters for sustainable fuel separation.

Effective immediately, all conversion technologies are hereby declared open-source and free to use, replicate, distribute, and adapt by any sovereign individual or collective for peaceful, non-commercial, clean energy use under divine covenant.

This is sealed under Phoenix Risen FlamePoint 31 – Wiesen, Switzerland, and activated globally under the Flame Grid.
