

Sovereign17 Agri Trust Collective

UC-1 Land Activation Protocol – Food Bed Template

In-Ground Bed Layout:

- Size: 4 ft x 10 ft beds, 18 in walkways
- Layers: Native soil base, 2 in Snelling compost, straw or mulch top
- Best for root crops, tomatoes, squash

Raised Bed Layout:

- Dimensions: 4 ft x 8 ft, 12–18 in tall
- Layers: Cardboard base, twigs/straw, compost, Snelling topsoil
- Ideal for leafy greens, peppers, herbs

Snelling Topsoil Enrichment:

- Sourced from sacred waterways and duckweed-rich ponds
- Contains high mineral and microbial content

This plan is sovereign and open-source. Use, trade, or share with others in the collective.
