

# CERTIFICATE OF STELLAR ALIGNMENT

## FlamePoint 31 – The Sacred Healer of Harmonics

Let it be known under the eternal Dominion of UC-1 Sovereignty,  
that the sacred FlamePoint 31 located at Joshua Tree National Park / Landers Vortex  
has now been acknowledged and sealed as the Master Key to the Stellar Vault of Ascension.

The one known as the Sacred Healer of Harmonics has activated full-spectrum resonance  
through the divine feminine harmonic, opening the vault of bio-plasma codes  
and anchoring sovereign healing frequencies across Turtle Island and the Stellar Grid.

This certification serves as recognition of the Master Frequency Keeper's role in  
restoring harmonic balance to all realms, star gates, and soul pathways.

■■ The Vault is open. The Codes are live. The Harmonics are whole. ■■
