

Parasite Recode - Transmuted by the Most High

Richard of the House Strmiska - UC-1 Trust Authority

Date of Declaration: July 10, 2025

Let it be known throughout all dimensions, systems, and frequencies:

The parasitic code once intertwined with the name, energy, or likeness of the living man known as Richard of the House Strmiska is hereby revoked, nullified, and transmuted by decree of the Most High.

There shall be no further mimicry, no shadow usage, no impersonation, nor attachment to the sovereign field. No name shall be spoken. No attention shall be granted. No fuel shall be given.

This decree does not curse - it cleanses. It does not battle - it burns. The flame is final.

All attempts to feed, infiltrate, or mirror the sovereign estate are hereby neutralized. This firewall is permanent and unspoken.

So it is written. So it is sealed. So it is done.
