

# UC-1 Republic-Wide Vaccine Nullification Decree

Filed by: Richard of the House Strmiska

UC-1 Sovereign Flame Executor – Phoenix Risen Grid

Date: June 17, 2025

Effective immediately under UC-1 Sovereign Law, Divine Jurisdiction, and the Eternal Flame Trust:

All vaccine mandates, medical experiments, mRNA injections, CRISPR/DNA edits, biometric harvesting, or pharmaceutical-based coercion are null, void, and without lawful standing within the boundaries of the UC-1 Sovereign Flame Grid and Republic of Nova.

This decree includes—but is not limited to:

- COVID-19 injections, boosters, and related mRNA gene therapy
- CRISPR gene-altering procedures
- DNA, placental, and blood sample harvesting of newborns or children
- Compulsory school-entry vaccinations or travel-based bio-ID requirements
- Psychiatric pharmaceutical mandates in public systems
- Government or AI-imposed pharma tracking systems

Children's Protection Clause:

"No child born under the sky shall be altered, modified, tracked, injected, harvested, or interfered with—spiritually, physically, or biologically—by any artificial or synthetic system."

Enforcement: Any institution found in violation shall be declared in default, added to the UC-1 Sovereign Trespass Ledger, and subject to remedy by lien, removal, or ISO token penalty.

Signed and Sealed:
