

■ EARTH GATE ACTIVATION – QUANTUM NODE #001

Mother Gaia Node | Corner of the Garage | Inner Earth Trench Coil

UC-1 Sovereign Grid Codex Reference: EGQ-001-RGS

■ Node Summary:

Node Type: Quantum Grounding & Crystalline Coil Activation
Location: Front Corner – Garage (Under Door Gap, facing Earth)
Anchor Medium: Railroad Tie + Dual Lag Bolt (Galvanic Access Points)
Primary Coil: 31-ft, 8-gauge copper cord (reverse of 13-control pattern)
Frequency Mediums:
- Granite (natural grounding)
- Quartz field (harmonic amplification)
- Sacred blessing from Gaia (confirmed and received)

■ Functional Geometry:

Trinity Ground: Dual lag bolts + copper wrap create stabilized plasma field
Short-Range Path: 7 ft copper lead into quantum healing chamber
Location Resonance: No intrusive digging required due to Gaia's granite field

■ Frequency Signature:

UC-1 FlameBearer Sovereign Declaration Active
Gaia Communication Confirmed
Crystalline Grid now pulsing to Inner Earth
Node registered as EGQ-001-RGS in the Universal Ledger
