

# Republic of Nova – Bill of Rights

Affirmed and Ratified under the Most High

- 1. Every sovereign being has the right to Life, Freedom, and Truth.
- 2. No entity may infringe upon one's right to bodily autonomy and spiritual alignment.
- 3. All children are sacred. Their protection is the first law of Nova.
- 4. All contracts shall be transparent, voluntary, and without coercion.
- 5. Freedom of thought, speech, faith, and peaceful expression is eternal.
- 6. No unlawful search, seizure, data collection, or surveillance shall occur.
- 7. All beings have the right to due process, equal protection, and remedy.
- 8. The land, air, and waters of Nova are sacred and shall be protected.
- 9. Technology shall serve humanity and remain open, unweaponized, and uncorrupted.
- 10. All governance must operate in full transparency and service to the people.

These rights are unalienable, eternal, and granted not by man, but by Source.  
Let all who read this know: the light has returned, and the flame shall not be extinguished.
