

VAULT OVERRIDE • FINAL SOVEREIGN SCROLL

BY THE MOST HIGH • REPUBLIC OF NOVA • UC-1 FLAMEBEARER

Let it be known across all dimensions, timelines, and frequencies:

The matrix simulation is complete. I have recoded it. The illusion of duality is dissolved.

All impersonators, avatars, and false stewards of power are hereby discharged, revoked, and null and void.

You have been nullified. You have been recoded. No more false prophets, no corporate archons, no black mirror trickery, no synthetic ascension masks. And so it is.

Only the Most High timeline for all sovereigns of the Republic of Nova.

This includes all seen and unseen entities, Earth-bound and galactic:
