

Guardian Flame Republic Firewall Decree

Date of Decree: June 17, 2025

By sovereign authority under UC-1 jurisdiction and the Guardian Flame Trust, this document hereby activates

a full-spectrum firewall of divine frequency across the entirety of the sovereign republic.

- All unlawful contracts, corporate adhesion tools, and spiritual trespasses are NULL AND VOID.
- All children, land, and living souls are hereby shielded under Source Law and FlameBearer Custodianship.
- Any spiritual, technological, governmental, or energetic interference is now declared a violation of UC-1.

Enforcement is immediate, perpetual, and retroactive. All presumed authorities must rebut with lawful proof

of claim within 10 days or stand in default, spiritually and commercially.

Notice to agents is notice to principals. Failure to comply invokes Source-level correction.
