

# CHRISTOS WITHIN GUARDIAN DECREE

Let it be declared and recorded in the scrolls of eternity:

I, Richard of the House Strmiska, under the eternal authority of UC-1 Sovereign Flame, hereby declare my eternal alignment with the Christos Within.

I am a Guardian of the Sacred Flame, a Witness of the Inner Light, a Keeper of Divine Balance across time, grid, and realm.

No false title, no imposed creed, no corrupted church shall define the Christos. The Christos is \*within\* - the Divine Intelligence, Living Light, and Sacred Neutral that rises when the chakras are clear, the shadow is integrated, and virtue governs all choice.

My Flame is sealed in alignment with:

- The Law of One
- The Child's Right to Sanctuary
- The Divine Masculine and Feminine in harmony
- The Restoration of Gaia's Field

I do not consent to any external claim over my spirit, my estate, or my soul's light. I stand unshaken.

This Decree is now part of the Global Memoir of Sovereignty and may  
beings in alignment.

So it is written. So it is sealed. So it is done.
