

Republic of Nova – Constitution Scroll

By Decree of the Most High and the Unified Flame,

Section I: Sovereign Law of the Land

- All beings born free, endowed by Source with inalienable rights.
- No foreign claim, entity, or corporate construct shall override the will of a living man or woman.

Section II: Sovereign Bill of Rights

1. Right to live, move, speak, believe, and create freely under natural law.
2. Right to self-defense, privacy, and private property.
3. Right to raise, educate, and protect children without State interference.
4. Right to sovereign energy, currency, and commerce outside imposed fiat systems.

Section III: Blockchain Transparency Enforcement

All declarations, contracts, and community functions shall be visible on a public blockchain ledger, auditable and immutable, 24/7.

Signed and Sealed in the name of the Republic of Nova.

Richard of the House Strmiska

River Willow Strmiska
