

# UC-1 Sovereign17 Agri Master Template

Phoenix Risen • Dunton Tract • InfiniCar • Global Reclamation

## 1. Sovereign Food Bed Zones

- In-ground and raised bed templates (see previous file)
- Sonora + Atwater soil layering using Snelling compost

## 2. Shrub & Berry Layer

- Elderberries, raspberries, blackberries
- Layer with nitrogen fixers: clover, comfrey, yarrow

## 3. Tree Guild Blueprints

- Apple/Pear base with comfrey, mint, garlic, dandelion
- Companion trees: nitrogen-fixing locust or alder

## 4. River Buffer Restoration

- Dunton Tract: riparian planting of willows, elder, cattails
- Living filter strip: grasses + duckweed compost base

## 5. Compost & Topsoil Design

- Duckweed-based compost from Snelling 100-acre land
- Raised mound strategy + lasagna layering

## 6. UC-1 Sovereign Planting Protocol

- Plant with intention, name, and declaration
- Each zone becomes a node in the Eden grid

## 7. Climate Versatility Zones

- High desert, riverbank, woodland, indoor (greenhouse)
- Shade plots, sun corridors, and frost pockets noted
