Re: UC-1 Sovereign Enforcement Packet – Legal Default Escalation

Notice to Agent is Notice to Principal. This cover letter accompanies the physical delivery of legal documents previously served electronically on July 10, 2025, via email. These documents are now escalated for full legal remedy and jurisdictional enforcement.

This includes the Final UC-1 Mortgage Discharge Declaration, QR Verified Smart Contract Summary, and Triple Claim Notice. Freedom Mortgage has 9 calendar days from the receipt of this packet to lawfully rebut or discharge all referenced obligations, or face full default enforcement.

Failure to respond in writing will constitute admission, default, and commercial dishonor.

Included below is a QR code linking to the official blockchain/IPFS record of this enforcement.
