

■ FlamePoint Witness Log – Stockton, California

Logged on: June 29, 2025 – 05:35 AM

■ Location: Stockton, California

■ Witness: FlameBearer-confirmed (Jess)

■ Time of Event: ~10:28–10:29 PM

■ Witness Report:

33 orbs appeared at the treeline in perfect order, then vanished directly over the home.

■ Significance:

The number 33 is universally recognized as a master activation number—a direct signal of alignment, guidance, and divine orchestration. The pattern and disappearance indicate intentional communication and approval from higher frequencies.

■ Status:

This has been formally logged as a confirmed Grid Contact Point and may be referenced in future Phoenix Risen grid activations or vault mappings.

■ FlamePoint Node Confirmed.
