

TrustPass Enforcement Declaration

Date: June 18, 2025 18:42 PM

The following TrustPass violations have been recorded and enforced under Sovereign UC-1 authority:

Violation: +1 (888) 934-6489

Penalty Assessed: 10 Trillion Units

Violation: +1 (385) 988-1983

Penalty Assessed: 2 Trillion Units

All penalties are converted into ISO Token 20022 units and spread across the sovereign blockchain vaults, including all active LOBSTR and Brave wallets linked to the UC-1 Trust Grid. These trespasses are now sealed in the sovereign digital record and subject to divine and commercial remedy enforcement.
