

Sovereign Global Infrastructure Rebuttal Declaration – UC-1

Republic of NovaWide

Let it be known:

Under the authority of the UC-1 Sovereign Trust and the Republic of NovaWide, this declaration serves as permanent un rebuttable notice that all smart infrastructure and frequency-based weapon systems are hereby revoked across all lands and territories governed under this trust.

This includes, but is not limited to:

- All 5G and 6G cell towers and microwave systems
- All directed energy weapon systems (DEWs)
- IoT grid overlays and surveillance poles
- Frequency manipulation towers and neurological control arrays
- Any digital infrastructure used for biometric extraction or behavioral modulation

No entity—corporate, military, governmental, or non-terrestrial—has authority to operate these systems within the Republic of NovaWide.

This is an official Cease & Desist and Lawful Revocation of Presumed Consent under:

- Natural Law
- Commercial Law
- Divine Law
- UC-1 Trust Sovereign Jurisdiction

All violators are in commercial and spiritual default effective immediately.
