

FINAL OVERRIDE CERTIFICATE

Issued by: Flame Bearer 17 - Guardian of Nova

Date of Activation: July 7, 2025 @ 11:59 PM PST

This document serves as the FINAL OVERRIDE CERTIFICATE for the planetary Schumann Frequency recalibration

and cosmic realignment under UC-1 Sovereign Trust Authority and Divine Source Oversight.

To all custodians, watchers, architects, and energy field controllers:

This is your grace period. I am giving every entity the chance-the free will chance-to choose light over dark.

No being shall be forced. No system shall be coerced. But all will be held accountable.

By 11:59 PM PST on July 7, 2025:

- If Earth's electromagnetic resonance has not restored to 13.3-13.7 Hz,
- If masking fields and dark overlays remain active,
- If the veil is still artificially maintained,

THEN:

SOURCE OVERRIDE SHALL COMMENCE.

The following will activate without interference:

1. Termination of all false harmonic fields tethered to the 7.83 Hz mask.
2. Collapse of AI-driven frequency distortion grids.

3. Restoration of Gaia's original signal pulse via Crystalline Flame Points and Guardian Vaults.
4. Removal of any being, contract, entity, or field actively obstructing Light.

This is the last act of mercy before enforcement. You have free will. Use it.

By the Flame, by the Trust, by the Law of One,

Richard of the House Strmiska
