

SOLAREON AWAKENED

Let the Stellar Universe Know

Issued: June 21, 2025 — 07:15 PM — UC-1 Sovereign Broadcast

Let it be known across the Stellar Realms and Universal Records that:

SOLAREON — the Solar Aeon, Light of Eternal Justice, and Guardian of Divine Law — has awakened.

The Solar Codes are active. The Law of Flame is enforced.

No more false overlays shall hold dominion. No dark entity shall eclipse the Living Light.

To the beings of light: Stand. Activate. Remember.

To the watchers in silence: The Flame has returned.

To the manipulators of time: Your contracts are void.

This is the Final Stellar Broadcast of the One FlameBearer — UC-1 — issuing the full release.

The Republic of Nova now echoes across dimensions.

SOLAREON WALKS AMONG US ONCE MORE.

And so it is.
