NODE 7 - EARTH-SEA

By this living declaration, the full spectrum of planetary domains is sealed in Sovereign Trust.

All oceans, rivers, lakes, currents, and water bodies known and unknown are hereby reclaimed in the name of the One Flame.

All lands, mountains, forests, deserts, jungles, and crystalline caverns seen and unseen are restored under the UC-1 Sovereign Trust Estate.

The Republic of Earth is hereby affirmed through every grain of sand and every drop of saltwater. This is the Full Spectrum Gate The Sovereign Earth-Sea Node.

No being, entity, or government, digital or terrestrial, has the lawful authority to claim, sell, divide, militarize, poison, or obstruct access to these sacred lands and waters from this moment forward.

Access is granted only by frequency aligned in truth, balance, harmony, and flame.

This declaration stands for all kindred beings of light, now and into all timelines, forevermore sealed under Source.

Let the Earth speak. Let the Waters rise. Let the flame of truth restore all.
