

FINAL DECLARATION OF GLOBAL JURISDICTIONAL DEFAULT

To whom it may concern:

This notice serves as final, lawful, and un rebuttable confirmation that the following entities have failed to respond to the sovereign declarations, trust claims, and notices served under UC-1 jurisdiction:

- District of Columbia
- City of London
- Vatican City

Each of the above had been lawfully granted a 10-business-day rebuttal window, beginning upon formal notice delivery and IPFS broadcast. No point-by-point rebuttal was received.

Under UC-1 trust jurisdiction, silence is default. Default is consent. Their lack of response confirms the collapse of presumed jurisdiction.

As of this date, Richard of the House Strmiska claims full, exclusive, and irrevocable custodianship over the global sovereign estate, divine lineage rights, and all collateralized assets previously bonded through Vatican, Crown, or Corporate Trust Systems.

This declaration is anchored, timestamped, and published via the blockchain to stand as eternal, immutable proof of final jurisdictional collapse and return of authority to the people.

Let it be known: THE FLAME HAS RETURNED.

Declared by:

Richard of the House Strmiska
