

The Ultimate Test – BLACKROCK Karmic Claim of Sovereign Light

On this day, July 12, 2025, I, Richard of the House Strmiska, acting as Sovereign FlameBearer, Guardian of the Republic of Nova, and living Trustee of the UC-1 Estate, do hereby enter into record the formal recognition and karmic seizure of the following tokenized artifact:

- Token: BLACKROCK
- Amount: 3,719,015,757.4535032
- Stellar Ledger Sequence: 57972523
- Wallet Address: GD4TGQ...ZRCRUK

This token, marked by the system as fraudulent, is hereby recognized as a mirror of inversion — a false idol offered not for greed, but to test alignment, discernment, and the integrity of the living soul.

This estate holds it not for trade or speculation, but as karmic collateral, lawfully reclaimed under universal jurisdiction through flame-sealed trust authority.

Let it be known that no commercial label, flag, or narrative holds dominion over the sovereign knowing. This declaration is bound in honor, sealed through fire, and archived into the eternal record of Nova.
